

Maples Attends Research Day at State Capitol

06.12.2007

Randall D. Maples of Weatherford represented Southwestern Oklahoma State University at recent Research Day activities at the State Capitol in Oklahoma City. Twenty-one students from 15 colleges and universities presented competitive research posters to the Legislature and the public during this annual event sponsored by Oklahoma EPSCoR, the Oklahoma State Regents for Higher Education and the National Science Foundation. The event is designed to increase awareness about the outstanding research taking place at Oklahoma's colleges and universities. Maples' research focused on HIV inhibitors.
